*“The earth turns on its orbit for You. The oceans ebb and flow for You. The birds sing for You. The sun rises and it sets for You. The stars come out for You. Every beautiful thing you see, every wondrous thing you experience, is all there for You. Take a look around. None of it can exist, without You. No matter who you thought you were, now you know the Truth of Who You Really Are. You are the master of the Universe. You are the heir to the kingdom. You are the perfection of Life. **And now you know The Secret.**” [p183]*

"You are God in a physical body," she writes. "You are spirit in the flesh. You are Eternal Life expressing itself as You. You are a cosmic being. You are all power. You are all wisdom. You are all intelligence. You are perfection. You are magnificence. You are the creator, and you are creating the creation of You on this planet." [p162]

**This is God's Word for my life in this place and at this time.
Today I am a new creation in Christ, I am God's very own,
And I believe he has a purpose for my life.**

I lift up my eyes to the hills—
where does my help come from?
My help comes from the LORD,
the Maker of heaven and earth.
He will not let your foot slip—
he who watches over you will not slumber;

indeed, he who watches over Israel
will neither slumber nor sleep.
The LORD watches over you—
the LORD is your shade at your right hand;
the sun will not harm you by day,
nor the moon by night.

The LORD will keep you from all harm—
he will watch over your life;
the LORD will watch over your coming and going
both now and forevermore. Psalm 121
